About Ngati Whakaue Education Endowment

The Ngati Whakaue Education Endowment Trust Board in 1996 was established under an Act of Parliament which saw the administration of this fund managed by a combination of 5 trustees representing the Rotorua High Schools and 6 trustees for Ngati Whakaue including the Chair.

The Land administered by The Ngati Whakaue Education Endowment was originally gifted by Ngati Whakaue in 1880 for the establishment of a Rotorua College and Grammar School. Today that land is held in leases throughout the Rotorua township and the proceeds of these leases support the general purposes of Education.

In allocating these funds to the general purpose of education it enables the Board to innovate and provide training that lead to career pathways. Pathways that are relative to the resources, landscape, culture, heritage and capabilities of our beneficiaries.

This scholarship is joint venture with Toi-Ohomai and MDA which focuses on gaining the skills of adventure tourism, whilst caring and articulating the history culture and beauty of our amazing landscapes to national and international visitors.

Tourism is an industry that our ancestors have lead and innovated since the early 19th century. This scholarship recognizes that leadership, innovation, passion and love for the environment, people and culture that the industry of adventure tourism is built upon.

Nga mihi nui

About Toi Ohomai Institute of Technology

Toi Ohomai Institute of Technology is the largest tertiary provider in the Bay of Plenty and the third largest institute of technology in New Zealand.

We are home to more than 14,000 students, more than 1,000 staff, and we offer more than 150 programmes ranging from certificate to postgraduate level.

Our History

Toi Ohomai Institute of Technology is an amalgamation of two high performing institutions – Bay of Plenty Polytechnic in Tauranga, and Waiariki Institute of Technology in Rotorua. The institutions merged in May 2016 to better meet the education and employment needs of the region

Our Name

Toi Ohomai means to aim high and achieve great heights; to be awakened by learning.

Our name was gifted to us by iwi. It has a story that has been woven from our whakapapa, history and the aspirations of our communities. It is a representation of institutional excellence that supports innovation, connectedness and motivates and inspires the people of the region.

Our Location

Toi Ohomai has five main campuses in Rotorua, Taupo, Tauranga, Tokoroa, and Whakatane. We teach from more than 68 delivery sites around the Bay of Plenty and South Waikato.

Our Future

Toi Ohomai is a network of purposeful connections – together we are forming constellations of excellence, knowledge, people, partnerships and innovation throughout the region, united in the exchange of knowledge. We are all here to be awakened and inspired by learning and to ensure our people, communities and region continue to prosper and flourish.

About MDA Experiences

MDA Experiences is an outdoor company owned and operated by brothers Takurua and Tuhua Mutu. First started in 1989 (then named Priceless Experiences) by one of the forefathers of the modern day adventure industry, Kim Price, MDA Experiences has accumulated a wealth of knowledge and experience that have lead it to become an industry leader for both luxury and adventure tourism.

The MDA Experiences whanau (family) is one that was born from an ethos of ensuring that every experience is always about the people first. Our crew of professional and personable guides carry on the traditional beliefs of Maori such as Manaakitanga (caring for those around us), Kaitiakitanga (protecting our planet and people) and Whanaungatanga (creating lasting relationships with those we bring in to our lives).

Our strong focus on Maori culture, coupled with the awe-inspiring landscapes of New Zealand, topped off with the ability to create adventures that suit anyone's age, ability and interests, have seen MDA Experiences become the preferred choice for those seeking bespoke and genuine experiences.

Purpose

The Ngati Whakaue Education Endowment Trust Board in conjunction with Toi Ohomai and MDA are proud to support the **Ngati Whakaue Education Endowment Adventure Tourism Scholarship Programme**.
