RE: New Zealand Certificate in Outdoor and Adventure Education (Level 4) (120Credits)

Tēnā koutou katoa

I regret to inform the board that due to low interest resulting in minimal enrolments, it is not feasible for the institute to offer the Certificate in Outdoor and Adventure Education at our Mokoia campus in semester one 2020.

Unfortunately we have seen a decline in applications for this particular program despite our concerted effort with several marketing initiatives as well as offering several secondary programs for year 11,12 and 13. Toi Ohomai understands the importance of adventure tourism for our region and therefore will continue to explore further initiatives to increase the level of interest, with the view to offer this provision again in Semester 2 2020.

We welcome the opportunity to engage in further korero with the board to explore how we can promote and facilitate learning for our rangatahi who are interested in a career in this vibrant sector.

Ngā mihi
